The firm of S. Klass & Co. will be dissolved about the first of January.

Dr. W. H. Phythian has removed his residence and office to the Starling property, on Wilkinson street.

Call at Buckley's and take a chance on the splendid iron mantel that is to be raffled. Only one dollar a chance.

Mr. John T. Gray has purchased of Mr. Jas. Saffell his residence on Broadway, next the Meriwether Hotel.

The Christian, Baptist, Southern Presbyterian, and Episcopal Sunday-schools will have Christmas trees this year.

Rev. Gilby C. Kelly will take for his theme to-morrow at 11 o'clock a. m., "the Wesleyan revival of the 18th Century."

Mr. S. Black has sold out his coal business to Messrs. W. T. Gaines & Co., and will devote his entire attention to his farm.

Messrs. Graham & Evans, dealers in fruits and vegetables, 43 St. Clair street, have dissolved partnership, Mr. Frank Graham retiring.

A telephone has been placed in the office of Adjutant General and Commissioner of Agriculture. The number of the station is 77.

Dr. Russell Abell, of St. Louis, Mo., formerly of this city, and Mrs. Julia Estill, formerly Miss Julia Davenport, of this city, were married in St. Louis last week.

Our first real winter weather set in Wednesday. It showed the greater portion of Wednesday and Thursday and yesterday morning the mercury stood at zero.

A force of coopers was set to work at Messrs. E. H. Taylor, Jr., Co.'s shops last week, making barrels preparatory to starting up the O. F. C. and Carlisle Distilleries for the season.

The out-going City Council will hold a meeting on Friday evening next to settle up all outstanding accounts contracted by them. Have your accounts approved and hand them in to the City Clerk.

Mr. Sanford Egbert, who was stabbed several weeks ago by Thos. Dobson, colored, is reported to have grown a great deal worse in the last few days, and is now lying in a critical condition at the residence of his father-in-law, Mr. Elias Stone, in this county.

Dr. A. Goldstein, the celebrated oculist, is stopping at the Capital Hotel, and will remain until Wednesday next. We would advise all those desiring their eyes examined and fitted with the best quality of spectacles to call and see him at once. After that time he can be addressed at his home office, 629 West Walnut street, Louisville, Ky.

A large line of hosiery and genteel furnished goods is being sacrificed at Crutcher & Starks'. Go and buy you a supply before it is too late.

Miss Georgia Towson, daughter of Mr. Ben Towson, of Lawrenceburg, a young lady who has many friends in this city, was married in Danville Wednesday of last week to Mr. S. E. Booth, of Lawrenceburg.

It is said a South St. Clair street merchant will wed a young lady from Tennessee some time next month, and that a Main street clerk and a young lady residing near this city will also be married before many weeks.

The gentleman who is supposed to light the coal oil street lamps on the South Side is requested to use a little soap and water upon them, so that it will not be necessary to take a lantern and go up to them at night to discover whether there is a light burning in them.

Mr. Philip Seibert, the enterprising St. Clair street jeweler, is always up with the times, and this year has the handsomest line of Christmas goods he has ever handled. Drop in and buy a Christmas present for your sweetheart, wife or a friend, and if it costs you as much as five dollars you will be given a chance to receive one of the three handsome presents he will give to his customers.

There will be a fine display of cut flowers at Dr. W. H. Hall's drug store on Wednesday evening, December 24, from 5 until 8 o'clock. Two handsome baskets of cut flowers will be awarded as prizes, one to the handsomest young lady and the other to the ugliest young gentleman present. The award to be made by the votes of all present. Everybody cordially invited.

The little orphan child left by the late Jas. H. Cline and wife seems to be just now a bone of contention between the families of its parents. The brothers of Mr. Cline, who reside in North Middleton, in Bourbon county, and Messrs. Todd, of Belle Point, brothers of the late Mrs. Cline, both claim the right to the possession of the child and have gone into the Bourbon County Court to have the matter settled. The child will inherit its mother's interest in the Todd estate in this county.

The contractors have finished laying all the smaller water mains in South Frankfort, and are now at work putting down the large fourteen inch main on Steele street, which is to bring the supply of water from the reservoir. This will cross the river from Herndon's wharf to the foot of Ann street. A trench will be dredged out in the bottom of the river to receive it, every second length of pipe will have a ball and socket joint, the sections will be put together on boats, lowered into the trench, and a diver, with armor on, will go down and tighten up the joints. The fire hydrants are still to be put in and a few connections are yet to be made at the street crossing.

Holiday Goods!

We have a large stock of fancy goods suitable for Christmas presents, to which the attention of buyers is called.

The crossing at Stoney Creek is becoming dangerous, especially to night travelers. The attention of the President of the F. & C. C. pike is called to it.

Every teacher in the county should make it their business to attend the State Teachers Association at Louisville next Monday week. "Come and let us reason."

We learn that our friend Carter Halle has received from President-elect Cleveland the position of Lock-keeper at the Frankfort Lock. We congratulate our friend on his good luck.

One of our lady friends went to town last week, and while there lost her over skirt. On missing it she purchased material for a new one. What was her surprise on arriving at home to find the missing article neatly rolled up awaiting her.

Mr. James Glone's residence took fire last Monday morning about daylight. It was first seen by Mr. Hackett, who, with Mr. T. Hunter was sleeping in the room, and extinguished before any great damage was done beyond burning a small hole in the floor.

Important to Parents and Others, The Orphans' Home.

We have had a great improvement in the health of our children by the use of Swift's Specific. We had among the children some who had scrofula—notably one case in which it was

UNmistakably HEREDITARY. We got some of Swift's Specific and gave it to this case, and in a short while it was cured sound and well. It was as bad a case, I think, as I ever saw, and had been under the treatment of physicians with no permanent relief. We have been giving it to all the children as a health tonic. We have four children and one seamstress, who, for years have suffered intensely every spring with erysipelas, and though they had been taking Swift's Specific only in small doses as a health tonic, they all, without exception passed through this spring without a touch of the complaint.

A young lady of the institution, who has been with us for years, has been troubled with a most aggravated rash ever since she was a child. She tried all the known remedies that are prescribed for it with no benefit; but she has been cured by taking Swift's Specific, and has had no return of the trouble.

It is such an excellent tonic, and keeps the blood so pure, that the system is less liable to contract disease. All of the teachers and children who are old enough to know, agree with me in believing it is the greatest medicine known. My faith in it is unbounded, and I and my assistants take great pleasure in recommending it to everyone I can at all times be found at the Home, and will take pleasure in seeing or corresponding with any one who is interested in the remedy.

GEORGE A. LEWIS.
Editor and Publisher.

FRANKFORT, DECEMBER 20, 1884.

Mal. H. T. Stanton returned Monday afternoon from his trip to Washington and New York. He reports that while in Washington Senate Jos. Blackburn showed him a pile of 1,500 letters from persons seeking office, which he had not had time to open.

On Saturday night a thief prized open a shutter of a back window of the grocery of Mr. L. Tobin, raised the window, went in and carried off three dollars in change, which was left in the cash drawer, and some pocket knives. This is the second or third time the store has been burglarized in the last few years.

Mr. W. S. Dehoney went to Louisville Monday morning, forgot to leave his store key and his clerk could not get in, and as a consequence the store was closed all day. His friends were uneasy about him, as no one seemed to know what was the matter; but he turned up all right at 8 o'clock that night.

A gentleman stepped into an establishment in this city Saturday, where a young man lately from the Emerald Isle is a clerk, and in course of conversation with him remarked, "well, John, what do you think of the great Yacht race?" "Well I don't know, but they tell me they have some d—n fine horses in it," was the reply.

The State Library was entered Sunday morning, between one and five o'clock by a thief, who stole an overcoat and \$70 belonging to Mr. Blanford, the outgoing Assistant Librarian, an overcoat belonging to the incoming Assistant Librarian, Mr. Peters, and three or four dollars worth of postage stamps belonging to the State An entrance was effected through a window.

When the six o'clock train came in Friday evening the Adams express wagon was standing in the usual place by the side of the track, when the switch engine came up on the side track and frightened the horse, causing him to shy to one side, when the wagon was caught between the two engines and completely wrecked. Mr. Will Sheehan, the driver, was sitting in the wagon and was thrown to the ground, but fortunately he and the horse escaped serious injury.

On Monday night Mr. James James, a tailor in the employ of Messrs. Hudson & Meagher, better known as Jesse James, while under the influence of liquor, went to the south end of the St. Clair street bridge, climbed out on to the platform used to store flooring plank for the bridge and in the darkness walked off the side, falling some fifteen or twenty feet to the ground below, breaking his left arm in two places and bruising himself up badly. He received medical attention promptly and although some sixty years of age is getting along splendidly.

On Saturday night four negro men raised a row in the smoking car of the six o'clock passenger train just before it reached Ducker station, drew their pistols and flourished them around, frightening an Italian woman and her children very badly. Mr. Sam Harris, who was in the car, pulled the bell rope, stopped the train, and when the conductor came in stated the case to him and pointed out men. When the negroes found they were about to be ejected from the car they gathered around Mr. Harris, saying they were only fooling, and in the confusion one of them cut his watch chain and stole his gold watch. They were put off the cars at Ducker's, and shortly after the train pulled out Mr. Harris discovered his loss. He returned to this city Monday morning informed the police of what had happened and about two o'clock Mr. Chas. Noonan arrested John Powers, a negro man, who, until recently, has been employed at the Capital office, with the watch in his possession. Mr. Harris identified him as one of the party, and he is now boarding with Jailer Sheehan, awaiting the February term of the Circuit Court.

The late R. R. Springer, of Cincinnati, was a cousin of Mrs. Penelope Wingate, of this city, and by his will left her \$20,000, and to Miss Jennie McKee, of Covington, formerly of this city, her granddaughter, he left \$5,000. Mrs. Wingate is well advanced in years, and it is the earnest wish of all who know her that she may live many years yet to enjoy the fortune that has come to her in her old age.

Frankfort Lodge, No. 10, Knights of Honor, elected Tuesday night the following officers for the year 1885: C. A. Nelson, D. J. Janie Todd, V. D. A. Salander, D. J. Logan McKee, Reporter; Philip Schbert, Financial Reporter; P. C. Sauer, Treasurer; Alex McEwan, Chaplain; Lewis H. Finner, Guide; P. Stitz, Guardian; W. H. Brinkworth, Sentinel; B. F. Duvall, Examining Physician; Lewis Mangan, J. N. Miles, Alex McEwan, Trustees; Logan McKee Representative to Grand Lodge; Alternate, Philip Schbert.

On Wednesday of last week Mr. R. S. Collins, of Alton, and Miss Letitia Tinsley, daughter of Esquire S. M. Tinsley, of this county, were married at the Methodist Church in Graefenberg, Rev. J. J. Johnson officiating, in presence of a large assemblage of friends. Immediately after the ceremony the happy pair, accompanied by a large number of invited guests, repaired to the residence of the bride's father, where an elegant entertainment was given them. We congratulate the young groom on having secured so fair a prize, knowing that so beautiful a young lady cannot be otherwise than one of the best of wives.

The Court House bell, which for the last half century, has told the time of day, been used to call the evil doers to justice, and until the erection of the engine-house, to alarm the city in case of fire, and warn our citizens of a threatened invasion during the war, whose clear, distinct tone could be heard for miles around, has at last lost its voice. Some blacksmith last week, in ringing it for some purpose, pulled so hard on the rope that it was cracked, and now its toll falls dead and dead upon the air and can scarcely be heard a square off. It is a great pity, for the old town seems fearful lonely with the voice of the town clock hushed.

No words are wanted, every sentence has duty and is made to do it, and the light parts are given good lines and amusing situations Mr. Campbell wants to strike the note of sympathy for his heroine, and he has done so in an effective and well-written play.—N. Y. Graphic.

"The Galley Slave," Edgewood. Campbell's interesting and remarkably successful drama, was produced at the Providence Opera House last evening. The audience was large, the play was received with much favor, and the excellent acting by the competent company met all the requirements. Miss Ellie Wilton, Miss Vane and Miss Skerrett were particularly successful, while among the gentlemen, Messrs. Eytling, Wheatcroft, Harris and Price gave commendable and satisfactory performances. The play is well mounted, and the excellence of the scenery was recognized by the audience by hearty applause.—*Boston Herald.*

FRANKFORT ROUNDABOUT.

The Adventists have fixed the fourth of next month, as the day for the second coming of Christ. We have received a copy of "their last message to the House of Israel" announcing the fact.

Editor Roundabout:

The time to elect a New Board of School Trustees is fast approaching and will soon be here. The people who are directly interested to the extent of having their children properly educated should consider the matter very between now and the election. It is clearly the opinion of the writer that if General D. W. Lindsey, Wm. H. Averill and Dr. U. F. Williams will allow their names to go before the people of Frankfort for School Trustees there will be found enough freemen in Frankfort (who are not disfranchised) to place them at the head of the Public School system of Frankfort by an overwhelming majority at the close of the polls the first Saturday in January. The above named gentlemen are well qualified in every particular, and are just the men to manage the educational interest of the town.

IN MEMORIAM.

After an illness of many months duration, with consumption, Mrs. Gussie, wife of Mr. J. P. Sargent, Jr., quietly passed away Dec. 12th, 1884, in the 20th year of her age.

Deceased was born and raised in this community, where she was highly appreciated for the many virtues that adorned the life of this Christian. The influence she exerted over those by whom she was surrounded was characteristic of the true child of God, ever ready to alleviate the suffering of mankind whenever opportunity afforded. Her own afflictions were borne with patience. Not a murmur escaping her lips, frequently remarking "that the Lord doeth all things well." Willing to trust all into the hands of a loving Father.

Sad, sad indeed is the thought that we are no more to see her in this world, but the consoling fact comes to relieve the mind that her spirit is now in the enjoyment of eternal felicity at the right hand of God.

The funeral services were conducted by Rev. Geo. Darde in a manner calculated to impress all present with the necessity of a genuine Christian life. To the bereaved husband and little children, brother and sisters, we commend the consolation afforded by the blessed Saviour.

A Startling Discovery.

Mr. Wm. Johnson, of Haron, Dk., writes that his wife had been troubled with acute Bronchitis for many years, and that all remedies tried gave no permanent relief, until he procured a bottle of Dr. King's New Discovery for Consumption, Coughs, and Colds, which had a magical effect, and produced a permanent cure. It is guaranteed to cure all Diseases of Throat, Lungs, or Bronchial Tubes, Trial Bottles Free at Jos. LeCompte's Drug Store. Large Size \$1.00.

CLEVELAND'S CABINET.

Probable Effects of the Change on Office Holders—Views of an Old-timer.

Correspondence Rochester Sunday Herald.

"Yes, the principal topic of conversation here at present is the probable action of the incoming administration."

The speaker was Mr. William M. Thayer, of 508 Maine avenue, a man whose large and intimate acquaintance with prominent public men here in Washington, renders his opinion of unusual weight.

"All the important question among the clerks of the various departments is, who is to go. In my opinion there will be very few changes among the old-time employees who have been here year in and year out through several administrations. The removals will occur among the heads of departments."

"The use of mistrust which must necessarily pervade the departments is, I suppose, detrimental to the proper transaction of business."

"Well, rather, I reckon. It unfits the clerks for business. Some get very blue, for they have purchased little homes which they must sacrifice."

"Last summer it was reported that many were ill of malaria. How is it?"

"More likely, ill of a fear of change. I don't think Washington is so very malarious. At the same time I admit that since residing here, I have not always felt first-rate. At times I have been greatly troubled with sharp-shooting pains. One day my right arm and leg would torture me with pain, there would be great redness, heat and swelling of the parts, and perhaps the next day the left arm and leg would be similarly affected. Then again it would be in some particular part of my body and produce a tenderness which would well nigh drive me frantic. There would be weeks at a time that I would be unable to get on my feet, and I would have an intermitting kind of pain that would come on every afternoon and leave me comparatively free from suffering during the balance of the twenty-four hours."

"Of course you consulted the doctors regarding your difficulty?"

"Consulted them? Well, I should say I did. Some told me I had neuralgia; others that I had inflammatory rheumatism, for which there was no cure."

"But didn't they try to relieve your miseries?"

"Yes, they vomited and phlebotomized me, blistered and bled me, plastered and oiled me, sweat, steamed and everything but froze me, but without avail."

"But how did you finally recover?"

"I had a friend living in Michigan, who had been afflicted in a similar way, and had been cured. He wrote me regarding his recovery and advised me to try the remedy which cured him."

"I procured a bottle and commenced its use, taking a tablespoonful after each meal and at bed time. I had used it about a week when I noticed a decrease of the soreness of the joints and a general feeling of relief. I persevered in its use and finally got so I could move around without limping, when I told my friends that it was Warner's safe rheumatic cure that had cured me."

"And do you regard your cure as permanent?"

"This was more than a year ago, the trouble has not returned and I haven't been so well in years as I am now."

"Speaking of President-elect Cleveland, who, in your opinion will comprise his cabinet?"

"That is as difficult to determine as it is to say what officeholders will go. Many good men have been named for the positions—Bayard, Thurman, Brewster, McClellan, not to mention a lot of lesser lights. Every prominent politician has a slate made up which he is backing to win, but then, as is always the case, some one will get left."

An End to Bone Scraping.

Edward Shepherd, of Harburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. I have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, indeed, three bottles of Electric Bitters, and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by Jos. LeCompte.
